• NURTURING SKILLS. INSPIRING FUTURES. •

ART COURSE PROGRAM

Imagine • Create • Express

Developing Creativity, Observation, Imagination & Artistic Confidence Through Structured Art Learning

ABOUT THE COURSE

The Ekreeti Art Program is designed to nurture creativity and artistic skills through a progressive learning pathway. Students learn drawing, colouring, composition, shading, painting techniques and creative expression while developing concentration, observation and confidence.

The curriculum is carefully structured into progressive levels, allowing every child to grow at their own pace and develop strong artistic foundations.

**INSPIRE
